## **RECORD RETENTION POLICY**

Prince's Mead School needs to create and maintain accurate records in order for it to function efficiently. The policy for managing records at the School has been drawn up to align with legislation and regulations affecting schools. This policy has been amended to comply with the General Data Protection Regulation 2018 (GDPR) which came into force on the 25 May 2018. Following implementation of the GDPR and, more recently, Brexit changes have been made to ensure that the School is still following the most up to date regulation.
